16th Annual

St. Croix Catholic School Golf Tournament and Dinner

Saturday, August 16, 2014

For 16 years, together, we've been building
the Endowment Fund

† Founded in 1999-2000.

† Current Balance \$1.1 million. Distributions back to school \$200,000 to date.

† Gifts made to the Endowment Fund are never spent. Instead, the gifts are invested and only a small portion of the investment earnings are distributed back to the school as a fourth source of annual income.

† Catholic Community Foundation manages the Fund.

† Donations of \$1,000 or more are marked with Legacy Pavers, beautiful brick pavers, engraved with wording of donor's choice.

**Memorialize Loved Ones * Mark Family Milestones * Celebrate Sacraments
Honor Catholic Educators**

The beauty of the Endowment Fund is that it will always be here. As the balance of the Fund grows with new gifts and accumulated earnings, its potential to "give back" also grows.

Special Opportunity—tonight only!

To thank Bishop LeVoir for his vision and leadership in firmly establishing the SCCS Endowment Fund, a small group of donors is presenting a challenge match TONIGHT. Consider a special gift to the Endowment Fund in honor of Bishop LeVoir and up to \$10,000 will be matched. Listen for Sister Mary Juliana's invitation. Names of all participants will be included on a special sign at the entrance of the Bishop John LeVoir Legacy Garden.
