

We will have Parent Drive Days when buses are not running where parents are expected to drive their children.

In the mornings, these "No Bus Days" parents should drop their children off in front of the school as usual.

In the afternoon, students with last names beginning with the letters A-K will be dismissed from the Third Street entrance and cars should line up as usual. Students with last names beginning with letters L-Z will be dismissed from the gym entrance. Cars should enter the parking lot from the north church entrance and exit at the Willard Street driveway.
